It is not clear from which source the pay of the Police staff was disbursed to them in the first instance and under which head the amount paid is outstanding. If the pay is charged to '20. Police', whether the Audit Office is watching its recovery and if so, why the delay in recovery was not noticed in this case, are not known.

General *Department.*

SIR,

Payment of monthly allowance to the Swamigalu of the Sri Vasanjeshwari Mutt.

With reference to your letter No.576/Mus.37-36-2 dated 10-10-1936 re. the above, I have the honour to state that the Swamigalu was written to in terms of your letter and the reply received from him is sent in original for perusal. The Swamigalu is not agreeable to receive an annual lumpsum payment for reasons explained in the Srimukha and it seems to me that the inconvenience brought to notice is real. The present arrangement of making a monthly payment of Rs 750 less the pay and other charges of the Police Guard amounting to Rs 150-4-0 will be continued, the balance of Rs 1,600 required to make up the maximum of Rs 10,000 being paid at the close of the year if the amount is found available. A copy of the reply sent to the Swamigalu is enclosed for perusal.

2. In this connection, I invite kind reference to para 6 of my letter dated 16-9-1936 re. the payment of arrears of pay and other charges of the Police Guard. Arrangements for payment of these charges to the credit of the Police Department from the month of July 1936 have been made and such payment of current charges will be continued to be paid regularly every month. I request that sanction of Government for the payment of arrears in 5 annual instalments commencing from 1936-37

be obtained and communicated early.

I have the honor to be,

Sir,

Your most obedient servant,

M N Brandaham

The Municipal commissioner has pointed that though the monthly grant (Rs 200 which includes charges of the police Guard sent to the Sri Sosale Vyasarajaswami mutt and also the amount Rs 1600/ ordered to be held in Reserve are being regularly paid to the Swamijaru Yet the latter has allowed the Rent and other charges of the police Guard to fall into arrears since 11th December 1933, with the result that a Revised bill for Rs 4949-9-7 upto the end of June 1936, has been sent by the S.P. of police, on account of the same, The Reason given by the S.P. of police for

not professing the claim for these arrears is that the matter was under correspondence and payment was not made by the Swamijahn On the other hand the Swamijahn has stated that the payment was not made as the full grant of Rs 10,000 per annum was not disbursed to him. This contention of the Swamijahn can not be accepted as during all these three years during which the G.O dated above, has been in operation the Swamijahn has been actually paid Rs 10,000 for year in full.

The M.C has also stated that arrangements for payment of the charges on account of the Police Guard to the credit of the Police Dept from the month of July 1936 have been made and that such payment of current charges will be continued

to be paid regularly every month in future, and he has requested sanction to the payment of the arrears of these charges amounting to Rs 4949-9-7 in three annual instalments commencing from 1936-37.

Government are pleased to sanction the recommendation of the H.C. as a special case, with the observation that the Police Department should not have allowed the amount to remain uncollected for such a long period.
